AMARANTH IN ANNUAL MEET IN OAKLAND

With an expected attendance of nearly four hundred delegates, the Order of Amaranth, known as the "Women Masons," will open their forty-ninth annual convention in Oakland this morning, accordinct to Dr. Flora Smith, chairman of arrangements, who arrived from Fresno yesterday.

The most important phase of the convention will take place at Tuesday morning's business meeting in Scottish Rite Cathedral, Fourteenth and Alice streets, Oakland, when Dr. Smith will present a set of resolutions commending the narcotic situation in America and offering support to the Federal Government in stamping out this evil.

Among the many things included in the three day program will be sight seeing trips and social affairs to be held in various parts of the city.

According to Dr. Smith, the delegates will arrive from all parts of the country, representing approximately 25,000 members.

The Order of Amaranth was organized ten years ago and for many years it was impossible for any woman to become a member unless she had been actively identified with the Eastern Star for at least one year.

At the last convention of the Amaranth held in the east, the organization abolished this requirement.

Heat Kills 4 People In Saint Louis

Yesterday a lot of people in Richmond were hollering their heads off in protest at the "terribly hot weather," but when the Mercury was at its highest and the atmosphere holding its maximum of humidity, there was really nothing lamentable or fatal about the temperature.

It was pretty warm down town.

No fooling.

But did you hear of any heat prostrations?

You did not.

Last night a glorious breeze came in; gift of Heaven, and while Easterners literally were sweltering, folks of the bay cities gathered their blankets about them and turned over for a good night's sleep.

In St. Louis, four persons died "as a result of the pitiless heat wave that settled down on the city," according to press reports.

The temperature ranged from 90 to 95.

In Indianapolis, fifteen firemen were overcome while figthing a fire.

Keep cool!

RED MEN WILL GIVE PUBLIC INDIAN PARADE

Some of the beautiful costumes of the Redmen and members of the degree of Pocahontas will be seen by the public as various members of the degree teams shall endeavor to don their costumes for the purpose of advertising their large indoor carnival which is to be held on Tuesday and Wednesday nights, June 20 and 21, at Pythian Castle.

The committee: chairman, Harold M. Kueffer, assisted by Frank L. Grunhut, Big Chief Wimberly, and Dewey Noell. Preparations are being made to give the public a little taste of what has taken place in the manner of historical events that we have all read about and in imitation of the true Indians.

Large Crowd At Select Dancing Party

Bank Hall was the scene of an enjoyable time last evening when the Select Dancing Club held its regular semi-monthly dancing party. The event drew out one of the largest crowds in many months, the dancing public being no doubt attracted by the return of Bud's well known orchestra, which has again been secured to furnish the music for dances of the club.

The hall was prettily decorated in greens and spring flowers by a committee consisting of E. Williams, chairman; assisted by J. Miller, M. Erly and E. Dausy.

Silver Thistle Club To Meet

The Silver Thistle Club held its regular meeting, with Irene Gilmore presiding. Several new members were admitted to the club. Next Friday evening a large class of candidates will be initiated. After the business of the club the famous "Gold Dust Twins" will be entertained and all members are invited to be present.

Dumping Of Garbage Troubling Berkeley

Chautauqua Program Will Be Elaborate One With Charming Features

F. I. Drexler, who is to manage the Richmond Chautauqua, arrived here last night and met with the local Chautauqua committee. Mr. Drexler has been with the Ellison-White seven day system since it started in Louisiana in April. He reports a magnificent program this year which is being received with great enthusiasm. Many people are finding it the best program they have ever seen on the platform.

Music Is Emphasized.

Music receives great emphasis this year. Miss Frances Ingram, formerly star contralto of the Metropolitan Opera of New York, the gifted Stearns-Hellekson Trio, the Oceanic Quintet, the Gilvan Light Opera company and other musicians will satisfy the music lovers of Richmond. The programs providing general entertainment are unusually good. The Patton Brothers Trio have one of the unique programs of the United States today. They bring their own beautiful stage settings. Their program is divided into six parts, each part with its own ataractive and striking costumes. The Fleming Company on the opening night give a program of magic, spiritualistic phenomena and Hindoo magic. They do this all by mechancial means. Their most striking tricks are some of the famous productions that travelers have seen given in India by the Hindoo magicions.

The Watteau Girls.

The Watteau girls, beautiful young ladies, are called Watteau girls because their costumes are taken from the paintings of the famous French painter Watteau, who loved to depict the life of his country of hundreds of years ago.

Some Famous Lectures.

The lectures are particularly noteworthy. In addition to the famous author and lecturer, Opie Read, there is given a remarkable lecture by Captain Norman Allen Imrie, professor of modern history in the Culver Military Academy. Captain Imrie's lecture is one of the most important lectures being given on the American platform today. It is being received with great en[illegible] for it is packed full of things to provoke thought. This lecture is as educational as a lecture can be yet it is easily understood by the most unlearned for it bristles with witty sallies that keep the audience laughing. Dr. Elmer Lynn Williams, who cleaned up one of the most sinister combinations of corrupt politicians with the powers that prey on the weaknesses of men, that could be found in the United States tells a most interesting story. J. C. Herbsman, Edna Eugenia Lowe also give valuable lectures.

"Cappy Ricks" Feature.

The play this year is "Cappy Ricks." This is a dramatization of the "Cappy Ricks" stories of Peter B. Kyne, which appeared in the Saturday Evening Post and were read by millions of people. The company giving it comes from New York City and are one of the most gifted companies that has ever appeared in the west.

Tickets Selling Fast.

Tickets are selling fast and can be bought for $2.50, students' tickets, $1.50 and children's $1.00. After Chautauqua begins tickets will not be sold for less than $3.00 by the cashier at the tent. Some are thinking of refusing to buy season tickets with the expectation of paying their admission into several entertainments only. This is a serious mistake. Three entertainments paid for at the gate will cost more than the season tickets which provide entance to thirteen programs no two of which are alike.

Tickets can be bought of the following committeemen: A. C. Lang, H. H. Turley, John Roth, E. T. Johnson, C. W. Duncan, G. H. Barnum, D. J. Hall, H. W Pulse, Thomas A. Boyer, W. W. Fraser, F. E. Moore, J. A. Long, Aubrey Wilson, Mrs. C. E. Thomas, Paul Little, Ruth Dunlap, J. H. Harris, W. H. Conn, W. B. Rouse, James E. Zumwalt, H. R. Woods, H. W. Garrard, Nina Moody, T. F. Johnson, C. A. Smith, Fred B. LaMoine, Mrs. J. T. Conwell, H. Dominick, C. L. Abbott, Ward McRacken, J. H. Plate, C. E. Clark, F. S. Newson, G. E. Milnes, Geo. B. Fredenburg, Tsar N. Calfee, W. A. Jones, E. P. LaSelle, Nannie L. Nesbit, Mrs. W. F. Downing, Mrs. H. O. Watson, B. L. Kratzer, Steve E. Barbikas, Hutt Brown, L. M. Johnson, Robert H. Kinney, Mrs. Paul Dunlap, Percival J. Nealem, L. R. Geyer, O. Tobiason, J. L. Barnaman, G. E. Schach and Martha L. Fraser.

CARBAGE IS PROBLEM AT BERKELEY, TOO

BERKELEY, June 17. — Carol Aronovici, consultant to the city planning commission, will fill the role of missionary to the western section of the city in behalf of the city council.

It will be his job to ascertain what residents of West Berkeley think of plans of Councilman Carl Bartlett to construct a sanitary fill at the foot of University avenue for the dumping of mineral waste and the reclamation of tide-water lands.

Councilman Bartlett in introducing the matter of the garbage fill at yesterday's meeting of the council urged that his colleagues go on record in favor of the proposed "dump."

The other members of the council agreed to appropriate $125 for work which Aronovici has already done in making a survey of the waterfront pertaining to the proposed fill and for his future activities, but they refused to give the desired endorsement.

"If the people of West Berkeley want the fill and will agree to it then I will vote for it," declared Councilman Charles D. Heywood, commissioner of public health and safety. "We know the sentiments of residents of that portion of the city as expressed in referendum petitions presented to us. If Mr. Aronovici can convince them that the fill which he proposes will be a benefit rather than a detriment then I will be only too glad to vote for it."

Other members of the council agreed with Heywood.

Ford.

C. G. Bacon Would Be Tax Appraiser

Charles G. Bacon, of Martinez, formerly of the Richmond Abstract and Title company, is seeking to be appointed as inheritance tax appraiser. This position is now vacant in the upper end of the county caused by the death of A. E. Dunkel.

Bacon was in Richmond circulating his petition, which was numerously signed. The appointment will be made by state controller, Ray Riley.

Vacationing at Calistoga.

W. S. Bonner, 129 Eddy street, is enjoying a several weeks' vacation at Calistoga.

Lovers And Love Discust By P. Joyce

A Peggy with a pain in her throat—but not her heart—sat on the edge of an armchair in her room at the Hotel St. Francis and said what manner of man she loves.

Peggy Hopkins Joyce, the world's most beloved woman! If you don't believe it, read the newspapers of two continents. In Paris they scanned the death notices and the financial column to keep track of her heartaffaire. Men have died for her and have parted with fortunes for her—and this same Peggy comes to California and declares that she is going to make Romance a side issue of business!

But Romance refuses to be routed to the Side Lines.

PURSUED BY WOOERS.

She has been in San Francisco just four days and already a Chicago stock market king, a Texas banker, a Hindu prince, a Burlingame millionaire sportsman, and dozens of artists and newspaper reporters have admitted that Peggy has pushed all other girls off the map and has the exclusive right to their hearts any time she cares to avail herself of the opportunity.

It will interest these gentlemen—and others—to know that Peggy likes the business man best.

The T. B. M. holds no terrors for her.

She would rather have a tired business man come home to her at night and refuse to go out on a party than to meander in the moonlight with a poet, tango with a philanderer through the cabarets, or play at love making with a soulful artist.

TO WED BUSINESS MAN.

"When I marry again," says Peggy, carefully pinning under the ends of short blonde hair so that it will not appear bobbed in the back, "I am sure it will be a business man.

"Now, that is not because I am hard-hearted or a 'gold digger' as many people believe.

"It's just because I couldn't fall in love with any othertype of man — and when I marry I want to love the man.

"Love making," declares Peggy, shivering and putting on a gorgeous Chinese costume over her thin sleeping pajamas, "is an art with some men, a habit with others and a mystery to most of them.

TELLS OF BEST LOVER.

"I'm twenty-six; I've had my share of lovers and I've run the gamut of their technique, and I can truthfully say that I like best those who have no technique at all.

"Caressing speeches, passionate protests, the perfect lover sort of dilly-dally-tanteing appeals to me not at all.

"That's another reason why the business man appeals most to me — they never do that sort of thing as well as the men who sing a new litany of love into every well turned ear. I like excessive fidelity — at least while the romance is on. I don't want men to play around with other women while they pretend to be devoted to me."

Mrs. Josephine Flores Granted Final Decree.

Josephine Flores of Richmond was granted a final decree of divorce from Ernest Flores Friday by Superior Judge A. B. McKenzie at Martinez.

IRVING FISH IS KILLED IN AUTO CRASH

MARTINEZ, June 17.—Irving Fish, 40, capitalist and owner of large land holdings in the Sacramento Valley, was killed in an automobile accident near Ukiah early today, according to advices received by relatives here. No details of the accident were given. Fish was the son of the late L. R. Fish, former president of the Bank of Martinez.

DOKEYS HAVE GONE TO NAPA

A large number of the members of Richmond Lodge No. 13, who are members of the D. O. K. K., popularly called "Dokeys," wen to Napa last night where a ceremonial was being held. The "Dokeys" are a picturesque aggregation, and put on some stunts that make the Mystic Shrine grow green with envy.

Miramar Chapter Takes In Fifteen

Fifteen candidates were initiated by Miramar Chapter, Order of the Eastern Star, at a special meeting held last night in Masonic hall. The initiation was made possible last night through the courtesy of Beacon Chapter which, after holding a short business session of its own, turned the hall over to Miramar Chapter for the remainder of the evening.

The degrees were conferred by the 1922 officers of the Eastbay Matrons' Association, who tookthe following parts in the ceremonies: Mrs. Pearl McCoy, assistant matron; Mrs. Frances Sparwasser, treasurer; Mrs. Marietta Duncan, secretary; Mrs. Elizabeth Burdon, marshal; Mrs. L. Keppe, conductress; Mrs. M. Glover, Ada; Mrs. Charlotte Tarr, Esther; Mrs. Anna Byers, Electra; Mrs. Elizabeth Phillips, chaplain; Mrs. Effie Miller, Ruth; Mrs. Mabel Duncan, associate conductress.

The grand officers present last evening were Mrs. Stella Linscott, grand associate matron; Mrs. Augusta M. Caldwell, district deputy grand matron; Mrs. Etta Riddle, grand Ruth; Arthur T. Riddle, past grand associate patron.

The ceremonies were followed by a banquet in honor of the Eastbay Matron's Association and the members of Beacon Chapter. The banquet room was attractively decorated in the Shrine colors, and on the center table there was a clever representation of a desert of burning sands over which a caravan had passed.

Much credit is due Worthy Patron J. O. Ford and Worthy Matron Mrs. Mildred B. Hammond for the success of the event. The banquet committee was made up of Mrs. C. Renwick, chairman; assisted by Mesdames Minter, Kessell, Hess, Justice, Cottingham, McCreagh, Holmes, Clara E. Wood and Messrs. Justice, Chintz and Ellis.

The remainder of the evening was devoted to dancing.

SUNDAY MORNING CHATS

Probably we would not make a good preacher, as we find that in the little preaching we attempt to do in these columns of a Sunday morning it always gets a hind leg over the orthodox tug and its tail over the orthodox line, and so the furrough looks like one a farmerette might plow, instead of keeping in the straight and narrow path that leads on to blessed if we know where. We don't know just why this is, aswe have nothing against orthodoxy, but presume it is because we are just naturally a wicked sinner and can't help it.

Creeds and dogmas never did appeal to us, and we do not know tother from which, and don't want to. They are probably all good, and so it don't make much difference which one a man hooks up to. We find some objection to all of them, and yet much to commend in each. It has always appeared to us that man's chances of getting to heaven and the fruits of immortality did not depend upon whether he was Jew or Gentile, Mohammedan or Christian, Buddhist or Brahma, half so much as it did upon whether he behaved himself, tried to live up to the Golden Rule, was honest, industrious, law-abiding and treated his fellow man fair and square and just. If he does that he is going to be rewarded, whether he is an adherent to any particular creed or not, and if he does not do that, it won't make any difference which creed he belongs to, he will go to hell, anyway, figuratively if not literally.

Any man or woman with average sense can dope out their own philosophy, and ought to do it, and then try to live up to it. There is nothing hard about living right. In fact, it is the easiest way to live—much easier than living and doing wrong, much more satisfactory, and pays much better dividends. Honesty is the best policy if for no other reason than that it pays. Nothing pays so poor as dishonesty. It is a chicken that always comes home to roost. Any person can be kind, just, polite, courteous and have respect for the feelings of others, and any person can be thrifty, industrious and do all those little things which common sense teaches he ought to do. This will insure good health, sound sleep, a clear conscience, a good digestion, a fair financial competence, the respect of others and the favor of Almighty God. The teachings of Mohammed, Buddha, Christ and other religious leaders teach all those things and are founded upon them. All the rest are matters of detail and are more or less superfluous. If you don't behave yourself and treat your neighbor fair in this world, you are not going to get by old St. Peter at the gate, no matter whether you were sprinkled or immersed, whether your prayers were of the canned variety or came out of a base drum.

Shipwrecked people upon a desert island all watch out for a passing ship to take them home. They do not care whether the ship is painted red, white or blue, or whether it is painted at all or not. Neither do they question each other as to why one believes a passenger ship will come, others that it will be a freight ship and still others that no ship will ever come—they all watch for the home-bound vessel, and rejoice and sing glad songs when one finally doescome. And so it is with us. That desert island is this little earth, its shipwrecked mariners all sons of men, yet how different we set about determining whether from out the everlasting sea that encircles us there is to come indeed a Ship of Zion to succor and to save.

* * *

What one man believes or disbelieves is a matter of litle moment, for belief will not put gods on high Olympus nor unbelief extinguish the fires or hell. Man can neither create nor uncreate the actual by mental emulation. If Deity exists he would continue to exist did a universe deny him, and if not, then all the faith and prayers and sacrifices of a thousand centuries would not evolve him from the night of nothingness. But banish all belief in God, eliminate the idea of man's responsibility to a higher power, make him the solelord ofhis life, and earthly good his greatest guerdon, and you destroy the dynamics of progress and the genius of civilization. Man has a tendency to become what he believes himself to be. Consciously or unconsciously he strives toward his ideal, hence it is important that he consider himself an immortal rather than the pitable sport of Time and Space; a child of Omniscience rather than the ephermeral emanation of unclean ooze. Had man always considered himself an animal, his tendencies would have been ever earthward, but believing himself half divine he has striven and is still striving to mount to the stars.

* * *

Atheism is in nowise responsible for human progress, for theism is nothing—a mere negation—and out of nothing comes nothing. A belief in God affords man a basis upon which to build; it is an acknowledgment of authority, the chief prerequisite of order; but in Athesim there is no constructive element. History teaches us that even the most absurd faith is better for a nation than none, and that when people desert their altars their glories soon decay. When Rome began to mock her gods she found the barbarians thundering at her gates. When France insulted her priesthood and crowned a courtesan Goddess of Reason in Notre Dame, Paris became a maelstromand the nation a chaos in whichmurder raged and discord shrieked. Today we are boasting of our progress, but look out that under the wheels of modern progress honesty, purity and manly spirit be not crushed into the mire of selfishness, greed, sensationalism and sham. Do not let the old heartiness go out of life, to be surplanted by the artificial. It will be a dark day when character no longer counts unless backed by a bank account. The tendency is now considerably in that direction, and we as a people should give it sober thought. Men who have despoiled the widow of her mite and the orphan of his patrimony are too much hailed with the acclaim due to conquering heroes. In United States senate and other elections, the suffrage of the people is bought and sold like sheep in the shambles. Our national policy is too much dictated by Dives, and men are sent to Congress whom were intended for the gallows. Some men fail and pay ten cents on the dollar when they ought to pay in full. High officials save seven-figure fortunes on five-figure salaries. Revolting crimes are unquestionably on the increase and sexuality is tinged with the infamy of the Orient. Is all this because of a laxity of the old simple religious faith that comforted the mothers of Israel? Is it that the old religious spirit is becoming dormant? When people get to considering themselves but as the beasts that perish they make no further spiritual progress.

No man is an Atheist from choice. Deep in the heart of every human being is implanted a horror of annihilation. A man may become reconciled to the idea, just as he may become resigned to the necessity of being hanged, but he strives as desperately to escape the one as he does to avoid the other. In this fact lies hope of the future generations.

If we adopt the internal instead of the external view of the origin of Judaism and Christianity all the other "sacred books" range themselves about the Bible and with it bear witness that man is the creature of design and not a freak or chance. We bring to confirm the teachings of Moses and Christ and the wise Zoroaster, the loving Guatama, the patient Mahomet, the priests and prophets of every clime, the altars of every age, the countless millions who, since man's advent on the earth, have worshipped the All-in-All. If this be not basis broad enough for man's belief, add thereto the story of God's wisdom written in the stars and the never-ceasing anthem of the sea the song of every bird and the gleam of every beauty, the eternal truth that shines in a mother's eyes, the laughter of little children, every burning tear that has fallen upon the face of the dead and every cry of anguish that has gone up from the - mSu vETAOINN..N..N..N binding upon humanity's sacred book, the universal Bible in which God speaks to all who have ears to hear.

If man's fierce and unconquerable desire for immortality is not to be gratified, then is the whole universe a cruel lie, its wonderful arrangement from star to flower, its careful adaptation of means to ends, the provision for the satisfaction of every sense, all an arrant fraud and a colossal falsehood. If there be no God and no immortality for man, then it is a crime.

It is not necessary to search through musty tomes and explore long-forgotten languages to prove the rhapsodies of some old prophet, for the grave of the babe that was buried yesterday is more than a prophecy—it is an Ark of the Covenant.

Brilliant Chamber Music Group to Appear Here

Stearns-Hellekson Trio Is High Grade Musical Organization Coming to Chautauqua

A very creditable professional experience has been enjoyed by the gifted artists comprising the Stearns-Hellekson Trio, which is to appear at Chautauqua on the afternoon and evening of the second day. Miss Ethel Stearns has demonstrated that she is an artist of high rank on the violoncello. Miss Vere Stearns, violinist, shows grace, brilliance and elasticity in her playing. Miss Mina Hellekson, pianist, a graduate of the Carleton College Conservatory and also of the New England Conservatory of Boston, is an artist of rare attainment. It is a trio of much more than ordinary ability, fitting assisting artists for Frances Ingram, with whom they appear on the evening program.

Real Novelty In Today's Vaudeville At T. & D. Theatre

included on the new vaudeville bill that opens at the T. and D. theater, Sunday, June 18. It is entitled, "Making Movies," and will call for a cast of local people. The act demonstrates in a vivid manner exactly how moving pictures are made and affords the ambitious young people of Richmond a chance to act before the camera. Of course, there is bound to be a lot of real comedy of the good-natured sort and the interest is kept at a high pitch through the turn. Vance and Allen will contribute "Comedy Singing and Talking" that is different from the ordinary sort and very pleasing. Earl Wright is a "Trick Tumbler and Barrel Jumper" who introduces a sensational table fall. Fox and Fletcher offer a "Comedy Singing Act" in which he introduces a special motion picture. They will complete this unusual program that from all advance reports should be a winner with Richmond audiences.

Katherine MacDonald and Roy Stewart will be featured in "Her Social Value" as the film attraction of the Sunday bill.

GIRLS! LEMONS

BLEACH SKIN WHITE

Squeeze the juice of two lemons into a bottle containing three ounces of Orchard White, which any drug store will supply for a few cents, shake well, and you have a quarter pint of harmless and delightful lemon bleach. Massage this sweetly fragrant lotion into the face, neck, arms and hands each day, then shortly note the beauty and whiteness of your skin.

Famous stage beauties use this lemon lotion to bleach and bring that soft, clear, rosy-white complexion, also as a freckle, sunburn, and tan bleach, because it doesn't irritate.

BUSINESS COUPE ANNOUNCED BY DODGE BROS.

Development.

Behind the simple phraseology of an announcement which Dodge Brothers, Detroit automobile manufacturers, are publishing today in every important city and town of America, lies the story of a new achievement in automobile development. "Dodge Brothers announce a business coupe; conservative changes in the body design of all other types," the advertisement reads.

The business coupe is the first all-steel closed car ever marketed. In this respect it takes a new and distinct place in automotive history, for it involves an entirely unique principle of coupe body construction. The steel body not only practically eliminates the problem of limited production, due to the tedious and costly individual workmanship required on wood bodies, but also enables the manufacturers to give the coupe the same lustrous baked enamel finish which has already contributed so much to the reputation of Dodge Brothers open cars. This process in itself will also facilitate quantity production, as an enormous amount of time was consumed heretofore in applying the numerous coats of paint required on wood.

Naturally, these are important factors in the determination of the selling price, resulting in economies which Dodge Brothers are passing directly to the purchaser. "Wood is practically eliminated from the construction of this car," said J. P. Strom, the local dealer. "Even the framework and panels are of steel, and the natural result is a lighter, quieter and more durable car. Steel prolongs life and reduces the possibility of squeaks and rattles.

Coupe At New Price.

"The business men of America have been expecting such a coupe and Dodge Brothers have given it to them.

"It is in reality a coupe at a roadster price. While it is easily attractive enough for any use, it is particularly designed for the business man— who needs the comfort and protection of a closed car in his work, but who can easily get along without a few of the luxuries which, in the past, have made the closed car so expensive. The business coupe is built inside and out to withstand the wear and tear of every day use—and yet it retains the same lightness and beauty of line which everyone is accustomed to look for in Dodge Brothers closed cars. It lacks only what I might term the depreciation liabilities of the more expensive coupe. It is upholstered in genuine leather, has a wide, comfortable straight seat, is equipped with cord tires, heater, dome light, windshield cleaner and adjustments for raising and lowering windows. The doors are unusually wide and are fited with new easy closing Yale locks. There is more than the usual amount of leg room and convenient and spacious luggage compartments are provided. Doctors, real estate men and salesmen of all kinds will find it just the car they need. We already have good indications of a tremendous demand.

"The change of design in the other Dodge Brothers cars indicates that while Dodge Brothers have always adhered closely to the practical they are also progressive and abreast of the time. It is Dodge Brothers policy to make improvements year after year and month after month and this is simply another step forward."

Building Blocks Will Be Manufactured In Point Richmond Plant

One of the new industries of Richmond, that has recently been opened up is the Duplex Construction company at 26 Standard avenue, at the Point, the proprietors of which are James H. Doyle and William Edminster.

It is believed that these new blocks will revolutionize the building industry, as they form a new method of permanent construction, are cheaper than either brick or tile, are damp proof and fire proof, and buildings erected with them are cool in summer and warm in winter.

Visits Are Warranted.

It will pay any one interested in building to make a visit to the factory, and see the blocks manufactured. Messrs. Doyle and Edminster will be pleased to have visitors at any time.

Duplex construction has eliminated all "form" building where a solid or "poured" wall is required. Cost of labor in erecting and tearing down forms, waste and damage to lumber is saved to the builder.

How Blocks Are Made.

Duplex Blocks are made with a double locking system, top, bottom and both ends and a cross bar lock. In terms of the building fraternity this is known as the male and female, while to the laymen, tongue and groove would be a more familiar term.

After the foundation has been laid, two rows of blocks are started, leaving an air space between, female or groove side up. The groove is filled full of grout (neat cement). In this the next row of blocks is set male or tongue side down. The blocks cannot be set wrong, as cross sections at regular intervals indicate the point where the blocks fit. Metal ties are laid in at various intervals according to the height and weight of your wall. A trowel is never required in construction as mortar is never used. An ordinary gallon can will pour the grout more rapidly than blocks can be set.

The method of placing Duplex Blocks bears no relation whatever to brick or tile laying. An attempt to follow the old established custom of using the plumb-rule, building line and trowel, will prove a disappointment and delay.

It will be displayed for a few days before delivery is made to the owner. Those wishing to see this new model should take advantage of this display.

Golden Rule Store Opens At The Point

The doors of the Golden Rule Store, the new store to be conducted at 132 Washington avenue by C. C. Olney and Robert A. Read, will be thrown open to the public on Tuesday morning. The proprietors are successful business men. With both stores enjoying a large trade, Mr. Olney and Mr. Read are establishing the Golden Rule on the West Side for the purpose of getting a new outlet for their merchandise and for the convenience of their Point Richmond patrons.

The proprietors plan to carry a complete line of dry goods, household necessities and men's furnishings. Good quality goods at reasonable prices will be the aim of the owners.

The colonel stated that the Love of God was beyond the power of humanity to comprehend. "It is deeper than the soundless depths of the mightiest of oceans, higher than heaven and broader than the distance between the east and the west," he said.

Captain Violet Hay of San Francisco sang "My sins went rolling away."

This week he made delivery of one of those nifty Ford sedans to Miss M. Rogers, a nurse at the Standard Oil Company.

CHICAGO PASTOR WINS EIGHT YEAR CRUSADE

"Fighting Parson" Cleaned Up Notorious North Side Dives.

Dr. Elmer Lynn Williams is called the "fighting parson" back in Chicago. When he came to that city as pastor of Grace Methodist Episcopal church, he found an abominably corrupt condition in the moral life of his community. He proceeded to clean up conditions, and he did the job to a nicety.

He won the support and admiration of the good people of Chicago, the respect and co-operation of the police department and sheriff's office—and at the same time the everlasting hatred of the underworld. He led an eight-year campaign and won his battle with a knockout. Hear his lecture, "The Big Game," at Chautauqua, on the sixth night.

"Cappy Ricks" Real Broadway Hit at Chautauqua

A Real American Play Told in Real American Style—"Cappy" One of the Most Delightful Characters of the Modern Stage—A Story of the "Frisco Water Front"

The mere announcement of the play—and the players—should in itself be sufficient to insure a capacity audience when Chautauqua brings "Cappy Ricks" to town. This greatest of all American comedies will be presented on the fifth night by the Percival Vivian Players of New York. "Cappy Ricks" was dramatized by Edward E. Rose from Peter B. Kyne's famous Saturday Evening Post series of the same name. It was first presented by Oliver Morosco at the Morosco Theatre in New York, where it ran a solid year. A five months' run followed at the Cort Theatre, Chicago. The play was stamped as a Broadway success from its very first appearance, for it is distinctively American, with a laugh or two every moment. The story is woven about a rough, old sea-dog, "Cappy Ricks," who has a weather-beaten exterior, but beneath a heart of gold. It is good, wholesome, clean comedy all the way through. Cupid plays his customary pranks throughout the story, and Cappy—himself immune—finally smiles down upon a romance or two and the play ends happily all around. It's a real American story, told in a real American way. Don't miss it.

VETERAN OF CIVIL WAR REVEALS HEALTH SECRET

Tells of Wonderful Remedy That Has Kept Him Fit for Thirty Years

The Civil War ended more than fifty years ago, and the veterans of that great conflict are rapidly passing. The soldiers of that period endured many hardships, were exposed to the elements and in many cases, were illy fed. These conditions led to chronic ailments of all kinds, such as rheumatism, lumbago, sciatica, constipation, heart trouble and diseases of the kidneys and liver.

One veteran, Mr. Abram Arnold, R.F.D. No. 2, Campbell, N. Y., now in his 77th year and hale and hearty, tells how he has kept himself in good health. He writes:

"I have made use of Dr. A. W. Chase's medicines for 25 or 30 years and during that time they have never failed to do all that is recommended of them. I am a veteran of the Civil War—almost 77 years old, and was through fifteen hard fought battles, but am still living with the help of Dr. A. W. Chase's Tonic Pills. I have a bad heart, and find these pills of wonderful benefit for this trouble. Anyone wishing further particulars may write me, and I will gladly reply, as I want people to know of this wonderful remedy."

You can buy Dr. A. W. Chase's remedies at all drug stores. To be sure of getting the genuine, see that portrait and signature of A. W. Chase, M. D., are on each box. This is a trade mark for your protection against imitations. —Advertisement. 3

Report Many Cases Of Rheumatism Now

Says we must keep feet dry; avoid exposure and eat less meat.

Stay off the damp ground, avoid exposure, keep feet dry, eat less meat, drink lots of water and above all take a spoonful of salts occasionally to keep down uric acid.

Rheumatism is caused by poisonous toxin, called uric acid, which is generated in the bowels and absorbed into the blood. It is the function of the kidneys to filter this acid from the blood and cast it out in the urine. The pores of the skin are also a means of freeing the blood of this impurity. In damp and chilly, cold weatehr the skin pores are closed, thus forcing the kidneys to do double work, they become weak and sluggish and fail to eliminate this uric acid which keeps accumulating and circulating through the system, eventually settling in the joints and muscles causing stiffness soreness and pain called rheumatism.

At the first twinge of rheumatism get from any pharmacy about four ounces of Jad Salts; put a tablespoonful in a glass of water and drink before breakfast each morning for a week. This is said to eliminate uric acid by stimulating the kidneys to normal action, thus ridding the blood of these impurities.

Jad Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia and is used with excellent results by thousands of folks who are subject to rheumatism. Here you have a pleasant effervescent lithia-water drink which overcomes uric acid and is beneficial to your kidneys as well.

Uric Acid in Meats Brings Rheumatism

Says a little Salts in water may save you from dread attack

Rheumatism is easier to avoid than to cure, states a well-known authority. We are advised to dress warmly; keep the feet dry; avoid exposure; eat less meat, but drink plenty of good water.

Rheumatism is a direct result of eating too much meat and other rich foods that produce uric acid which is absorbed into the blood. It is the function of the kidneys to filter this acid from the blood and cast it out in the urine; the pores of the skin are also a means of freeing the blood of this impurity. In damp and chilly cold weather the skin pores are closed, thus forcing the kidneys to do double work, they become weak and sluggish and fail to eliminate the uric acid which keeps accumulating and circulating through th esystem, eventually settling in the joints and muscles causing stiffness, soreness and pain called rheumatism.

Ingram Is Wonderful Artist

Noted Contralto of Metropolitan and Chicago Opera Fame to Sing at Chautauqua

The announcement that Frances Ingram, famous American contralto, formerly with the Metropolitan Opera Company and the Chicago Opera Association, is to sing at Chautauqua on the second night is creating no end of comment among those who appreciate the best in music. She is a star of the first magnitude. In addition to having a great natural voice which has already been termed by many competent critics to be the most genuine contralto of the decade, she has an extraordinary personality which combines to make her an artist whose name will go down in history as one of the adored of the musical world. She will appear in recital, assisted by the Stearns-Hellekson Trio, a company of brilliant assisting artists for the famous contralto. Miss Ingram's concert and operatic successes have been equally great.

Little Girl Takes Part In Play

"Good afternoon, Mrs. Gorden! I suppose you will be going over to the school program tomorrow afternoon. Elsie says your little girl is in the same play that she is."

"Oh, yes, my daughter has been practicing her line at home for the past two weeks, and I do hope she will get through her part without any trouble."

"Well, I hope so, too. I hear she has an important part."

"Yes, it is quite important. I want to get her costume finished tonight. It is real pretty."

"Why don't you stop at my house on the way to the school tomorrow afternoon and go with me in the car?"

"I don't think I will go. The truth is I haven't any clothes suitable to wear."

"Oh, my goodness, you mustn't miss this. Your little girl will be the most important person on the program and you surely want to be there to see her. But if you don't feel that you can afford a new dress right now, why don't you get a nice silk dress at Cherry's, 515 13th street, on credit? You will have to pay very little down, you know, and you can easily pay the rest on monthly installments."

Cherry's store for men is at 528 13th street.—Advertisement.

GOOD HELP IN SUMMER

Indigestion causes worry, nervousness, sick headaches, biliousness, coated tongue, bad breath, bloating, gas, constipation and constant distress. Henry C. Thorne, 1002 Harrison Ave., Boston, Mass., writes: "Since taking Foley Cathartic Tablets I feel fine." They cleanse the bowels, sweeten the stomach and invigorate the liver. Cause no pain, no nausea. Not habit forming—just a good, wholesome physic.

Morning Lameness

If you are lame every morning, and suffer urinary ills, there must be a cause. Often its weak kidneys. To strengthen the weakened kidneys and avert more serious troubles, use Doans' Kidney Pills. You can rely on Richmond testimony.

Mrs. G. Schiltz, 1309 Bissell ave., Richmond, says: "I suffered from the effects of kidney trouble a few years ago. I had a constant lame back and when I was hanging up clothes, unusual sharp pains caught me in the small of my back. These pains nearly doubled me up. I awoke mornings feeling more tired than when I went to bed. I suffered from pains in the back of my head and dizzy spells. Another member of my family told me about Doan's Kidney Pills and I used two boxes. They gave me great relief and helped me in every way." (Statement given June 1, 1916.

On January 23, 1920, Mrs. Schiltz added: "My faith in Doan's Kidney Pills is as strong as ever. I use them at times, when my kidneys trouble me and they never fail to do good."

When—and After—You Buy Your Car

When you buy an automobile, car specifications, design and price are the predominant considerations. After you have bought a car, your interest is in requirements of an entirely different nature.

To have everything on hand that the car may need; to have ample shop equipment to deal with any service or repair requirement; to maintain a constant, friendly interest in the car owner—these are obligations of the good automobile dealer to his customer after the sale.

Every member of this organization is pledged to this policy. We seek constantly to improve methods and management so that these essentials of satisfaction in car ownership may be rendered on the lowest cost basis possible.

Oceanic Quintet to Appear Soon

Company of Clever Musicians and Entertainers to Appear at Chautauqua on Fourth Day

The Oceanic Quintet is coming to Chautauqua—five gifted instrumentalists and vocalists, who play, sing and read, and do all exceptionally well. It is today one of the best known Chautauqua attractions in America, having toured the United States, Canada, England, France and New Zealand. The European trip was made during the war, the company then being known as "The Western Four." Three of the original personnel are still with the company, Miss Amelia Carstensen, brilliant young Danish violinist; Miss Helen Ferguson, one of the most talented lady cornetists in the country; Miss Beulah Truitt, reader and drummer; Lois Brown Dorsett, soprano and pianist, and Miss Esther Sanford, 'cellist. It is a fine organization, musically, and from the entertainment standpoint is second to none—with its enviable record of service under five flags, Miss Truitt's readings are always tremendously popular with her audiences, particularly her character numbers. She is an extremely gifted artist in this line.

11 a. m. "A Place of Quietness in a World of Furore."

One of the great perils of our time isthat in the midst of so much noise and strife—so much of feverish excitement and unrest—that is everywhere manifest, in connection with the life of men and nations, we may be led to forget or ignore the deeper considerations of spiritual quiet—and religious contentment, and so impoverish not only our own souls, but undermine and slay the whole social order as well. Just what is the truth—of this spiritual quietness—and where is it to be found?

7:30 p. m. Rev. F. I. Drexler, representative of the Ellison-White Chautauqua who is in the city arranging for the beginning of the local Chautauqua program which is to begin on Tuesday night, will occupy the pulpit and bring a message that is in keeping not only with the church, but with the whole Chautauqua enterprise as well. Among the special musical features of the evening service will be two solos by Mrs. Ross Calfee and Howard Lemoin.

Church school under the direction of Aubrey Wilson at 9:45 a. m.

Special invitation to all young men and women extended by the "20th Century" class, taught by the pastor.

Y. P. S. C. E. meeting at 6:30 p. m.

What some people are looking for, as they go through life, is an "easy berth" so that they can doze along, without any sense of strain, or responsibility. The trouble with all such attempts, however, is that those who undertake them, sooner or later fall out and hit the ground hard. This principle is one holds in religion just the same as it holds in the world at large. So come along and get in, with the rest of us, at least come along and try.

Darken Gray Hair Look Young Pretty

Grandma's recipe of Sage Tea and Sulphur darkens so naturally that nobody can tell.

Hair that loses its color and lustre or when it fades, turns gray, dull and lifeless is caused by a lack of sulphur in the hair. Our grandmother made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful and thousands of women and men who value that even color, that beautiful dark shade of hair which is so attractive, use only this old-time recipe.

Nowadays we get this famous mixture improved by the addition of other ingredients by asking at any drug store for a bottle of "Wyeth's Sage and Sulphur Compound," which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning the gray hair disappears; but what delights the ladies with also brings back the gloss and lustre and gives it an appearance of Wyeth's Sage and Sulphur Compound is that, besides beautifully darkening the hair after a few applications it abundance.

ONE WEAK SPOT

Many Richmond People Have a Weak Part, and Too Often It's The Back

Many people have a weak spot.

Too often it's a bad back.

Twinges follow every sudden twist.

Dull aching keeps up, day and night.

Backache is often from weak kidneys.

In such a case kidney medicine is needed.

Doan's Kidney Pills are for weak kidneys.

For backache and urinary ills.

Richmond people recommend the remedy. Ask your neighbor.

Mrs. E. P. Howard, 575 N. Ninth St., Richmond, says: "I keep Doan's Kidney Pills on hand. I know the value of them. I have used them when my kidneys were weak. I felt dull and languid and had frequent headaches. My back ached and my kidneys didn't act right. I read of Doan's Kidney Pills and procured some at LaMoine's Drug Store. They were just what I needed. They soon rid me of that tired feeling and strengthened my back and kidneys."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doans Kidney Pills—the same that Mrs. Howard had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

"Ruddygore" Is Gilvan Opera Treat

Delightful Gilbert & Sullivan Comic Opera to Be Given at Chautauqua on Closing Night. Company Is Quintet of Brilliant Eastern Artists. Operatic Gems Also Featured.

"Ruddygore" means just what it says—but there isn't half as much blood and thunder in this delightful opera as one might imagine. In fact, it's a typical Gilbert and Sullivan opera, and there are more laughs than anything else in it—as you will quickly learn when the Gilvan Light Opera Company comes to Chautauqua. There are five brilliant artists in the Gilvan Company: Martha Cook, soprano; Hazel Huntley, contralto; Tom Morris, baritone; Thornley Jobe, tenor, and Harrison Burch, pianist and accompanist. The Gilvan Company was organized three years ago, on the belief that the public craved better things in a musical way. The organization has had remarkable success, and has lived up to its ideal of presenting the best—and only the best—in Chautauqua work. "Ruddygore" will be the evening feature. A miscellaneous program of standard musical numbers will be given in the afternoon. In the evening "Ruddygore" will be preceded by an offering of costumed classics—concert, oratorio and operatic arrangements for solos, duets, trios and quartets. A splendid artistic finesse characterizes the ensemble work of this remarkable company.

Marie Provost Is Stellar Attraction At The Macdonald

What Los Angeles newspaper critics called the most beautiful ball room set ever staged, was erected at Universal City for the comedy-drama starring Marie Prevost, "The Dangerous Little Demon," which comes to the Macdonald Theater tonight. This is a Universal Special Attraction directed by Clarence Badger from the story by Mildred Considine.

On the biggest stage at Universal City a hardwood floor was laid and over its surface women in gowns of the latest cut and colors passed to and fro with men immaculately attired in evening dress.

After two or three scenes of ballroom dancing, a curtain parted at one end and down the floor with a partner whirled a vision of loveliness, a beautiful girl in black silk tights, with an inconspicuous skirt of shimmering jet sequins catching the light; a small silver hat perched at a jaunty slantover her dark tresses and her feet in high heeled slippers — Marie Prevost, in the nearest approach to a bathing suit that she has yet used in her career in drama.

Making an Asset of Difficulties

A great opportunity is now before American business—the opportunity of making a big and permanent asset out of the very difficulties of the present situation. The conviction that this can be done is extremely heartening. It is enough to put a new thrill of life and activity into every form of industry.

From one point of view the present situation is by far the most desirable, the soundest, the sanest, and the most hopeful this country has ever seen. Why? Because it brings into bold relief, through sheer necessity, the latent power to create conditions as we would like to have them.

The curtailment of Demand for the products of industry brought us face to face with the question, hitherto ignored, as to what causes demand. Then it was discovered that Demand was a created thing, and that more of it could be created in almost any direction—if enough of the right effort were applied.

Chief among the means of creating Demand is now seen to be Advertising. Wherever you find a big demand for any product you find, invariably, that the demand for that product has been stimulated by human effort, and chiefly through advertising.

It is obvious to any one who will think it through that the present demand for any product could be substantially lessened if it were possible to eliminate all forms of advertising—including pictures, displays, and word of mouth, as well as printed and painted messages—and just let that product depend on the natural or unstimulated demand.

And it is equally obvious that a demand for any worthy product can be created and stimulated by means of Advertising.

This fact puts within the hands of the business man the means of creating his own market. That would be the biggest asset he could have—an assured market for all he could produce.

My stomach, kidney and liver were in bad condition. The lower part of my body pained me awfully. I could hardly lie on either side and sleep. My bowels were hard to move and painful. I treated with other doctors and medicines, but did not seem to do me much good. After taking six weeks Kong Wah Herbs I feel like a new woman.

Hearing of the wonderful cures Dr. Wong Him has made I thought I would give him a trial. After going around to different doctors, none seemed to know what ailed me. But Doctor Wong Him did. He has just cured me of a bad case of Diabetes and Kidney trouble.

Stomach As Heavy As Lead

March 16, 1922.
I suffered from dysentery and difficult breathing, my bowels moving constantly with bloody discharges. I also had morning indigestion and my stomach felt as though there was a piece of lead in it.
Failing to get relief elsewhere, I took the herbs of the FONG WAN HERB CO. for two weeks. My former complaints have left me entirely and I am now enjoying good health.
MRS. P. J. SNOWBERGER,

Suffered Unnecessarily
Oakland, Feb. 3, 1922.
At intervals I suffered severe pleurisy pains which began in the right side of my chest and ran around under my arm into my shoulder blade. It was both painful and difficult to raise my arm. I had taken various sorts of treatment for the trouble, but had found no relief.
Now, after seven weeks of the FONG WAN HERBS, the pain in my chest is entirely gone and I feel quite well. I bought the herbs in packages and cooked them at home.
